# Mount Carmel Fire Department

Mitch Walker, Fire Chief

January 2nd, 2025

To: James Stables, City Manager

Ref: December 2025 Monthly Report

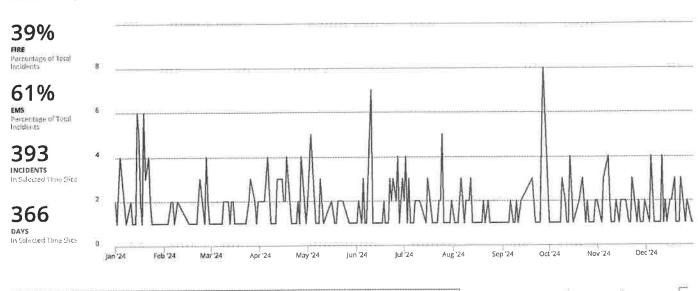

The Mount Carmel Fire Department answered a total of 34 calls for service during the month of December. This includes one structure fire and multiple vehicle accidents/medical responses. Our total call volume for 2024 was 393 responses, this is up from 286 in 2023. Our department has seen a 37.4% increase in call volume in just one year. Our average dispatch to arrival time for the year was 5:25 with a 90<sup>th</sup> percentile of 10:38. Our members have done a tremendous job managing the increased workload while continuing to progress our department and its services.

December is traditionally an extremely busy month for the fire department, and this December proved to be true with the completion of the 57<sup>th</sup> annual Mount Carmel Santa Run and Christmas Parade. Both events were a success, and I appreciate every person who assisted in making these possible. Our annual hose and ladder testing was completed, this ISO and NFPA requirement is essential for our efficiency and firefighter safety.

During December, our members completed a course on hoarding conditions during a structure fire. We had four members take their Tennessee Commission on Firefighting Hazardous Materials Awareness test, I am happy to say that all four passed and will move on to the operations test in January. They are one step closer to obtaining their Firefighter I certification.

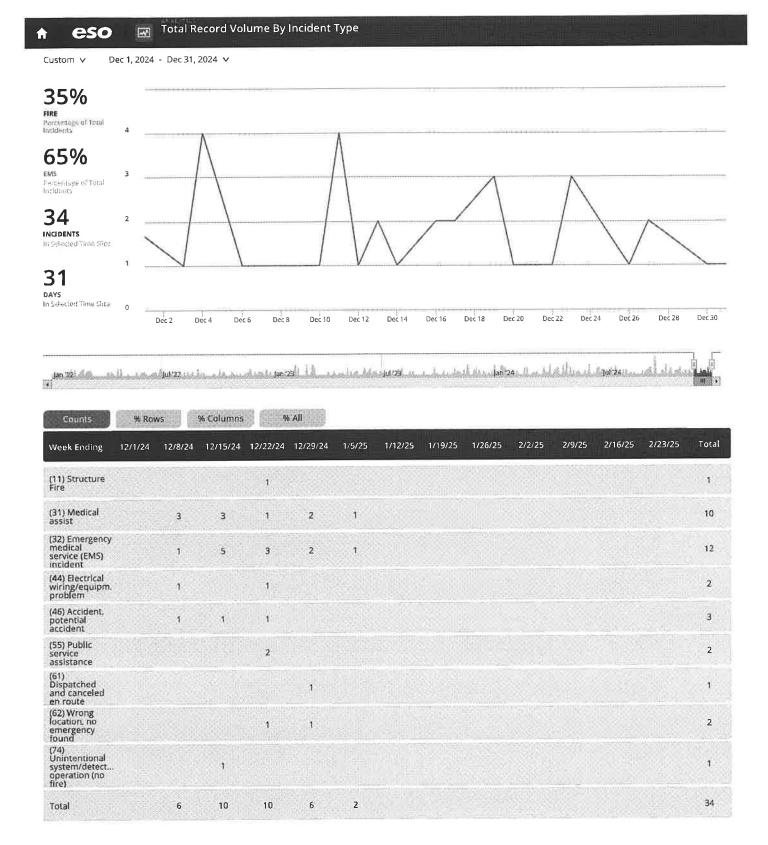

Thank you and the BMA for your continued support. I look forward to another great year.

Respectfully, Mitch Walker, Fire Chief Custom v Jan 1, 2024 - Dec 31, 2024 v
